### *Sailing Abu Dhabi*

## STEP ABOARD AN OCEAN RACING EXPERIENCE

**Based in Abu Dhabi, Pindar Sailing brings a unique opportunity to the Emirates with two Volvo 60 ocean race yachts available for charter.**

Our yachts previously raced around the world as 'Assa Abloy' and 'Team News Corp' in the Volvo Ocean Race. Under the guidance of our professional crew, the yachts are fun, exciting and easy to sail, providing everyone with a superb day out or an unforgettable racing experience, both inshore and offshore. The Volvo 60's are perfect for Team Building, Leadership Development and client entertainment. They also revel on the race course and are unparalleled in the UAE for sailing opportunities with a difference.

Each yacht can accommodate 12 guests, providing a day out on the water for up to 24 people. You will get to experience what it is like to be a professional yachtsman for the day, as our dedicated and supportive crew show you the ropes.

We offer bespoke packages to meet all the needs of our clients with varying agendas. These include sailing days; team building; leadership development and match racing.

Our boats can sail from Emirates Palace Marina in Abu Dhabi, or can be brought along the coast to Dubai or Ras Al Khaimah as needed.
