

CHALETS CASTOR&POLLUX

THE CHALETS CASTOR AND POLLUX (8 BEDS) ARE ADJOINING

The luxury Chalets Castor & Pollux - for single rental or half board - are luxury individual chalets on 3 floors with 4 double bedrooms.

Their privileged location offers a spectacular panoramic view as well as easy access.

200m from the departure of the Matterhorn Express and the end of the slopes, a tunnel at street level leads you to an elevator - built in the rock - from the top of which you reach the property in 2 minutes on foot via a path and an external staircase .

Backing onto a magnificent rock face, the balconies and large terraces overlook the village and face the surrounding mountains including the three ski areas of Zermatt.

The location is ideal: close to the main ski lift, the slopes and the village center.

The tunnel and elevator take you above the village offering a real feeling of seclusion and tranquility as well as a breathtaking view. Although it does not offer a view of the Matterhorn, the sun is there as soon as it rises

A ski room - located in the tunnel - is available to store ski equipment. The entrance to the tunnel is 200 meters from the end of the slopes and the Matterhorn Express station, and a 4-minute walk from the church square.
